

## Technical Official report September 27<sup>th</sup> 2012

Dean reported that he was pleased to officiate at the first meet at Rockhampton's new FINA pool.

He has conducted a thorough check of the pool however he is waiting for more details regarding the surveyor's certificate. The pool is slightly longer than 50m to take into consideration the size of the touch pads when they are fitted.

There were queries raised as to the way that the lane ropes are attached directly to the bulkhead. Does this tension the ropes put on the bulkhead alter the length of the pool?

### Technical officials at the meet

Trevor Williams – Home Hill

Helen Cushing – Mackay Swimming Academy

Ken O'Brien

Rachel Sampson

David Milburn

Brett Wines

Computer – Jacalean Wines

Judy Hicks - NQ

Clubs and committees are reminded that they need to contact Dean prior to their swim meet so that he can invite referees to officiate at their meet.
