

Metro East All Junior Selection Trials: Timekeeping Roster

Surrey Park Swimming Club has been asked to provide timekeepers for this meet on Sunday.

For those new to the Club, timekeeping involves sitting on pool deck and pushing a button on the timekeeping system which is used to record swimmers times (very simple). The shift will be roughly 1-1.5 hours. If you have any questions there is a Chief Timekeeper who is very happy to assist you on the day.
