

## Swim Central: Renewing Club Membership

Joining the Club involves completion or confirmation of membership details online through Swimming Australia's Swim Central system and payment of the required membership fee.

The 2019/20 swimming season starts on 1st July 2019. All current members will need to renew their Surrey Park membership on this date so they are fully insured whilst training and competing.

It will not be possible to enter swim meets online until your season 2019/20 membership fee has been paid.

**Please Note: As of 1<sup>st</sup> July 2019, Swimming Victoria requires that all members aged 17 years and under are linked to a financial parent/guardian member (a dry member)**

**Continuing members already have a family account in Swim Central. The parent/guardian member is typically the one included as their emergency contact in the previous ClubLANE/MyLANE system.**
